Aesthetics

Premier produce aesthetically pleasing systems suited for front-of-house projects where design is paramount.

Hostile Vehicle Mitigation

Premier's testing programme for HVM-resistant curtain-walling is in progress with an anticipated certification date in Q4 2024.

Targeting carbon-neutrality

Premier Security Ballistic & Blast Ltd is dedicated to a positive legacy through sustainable security product fabrication and maintenance. We aim to reduce resource consumption, enhance community well-being for a healthier environment and achieve our carbon neutral targets by implementing energy-efficient practices and investing in renewable resources.
